

To our valued customers

Eindhoven, 1 June 2022

Product Discontinuation SC-001607-CN Update

Dear Customer,

In February we informed you about the discontinuation of the following products:

CCS811B-JOPR	Material ID: 304000015	CCS801B-COPR	Material ID: 304000011
CCS811B-JOPS	Material ID: 304000016	CCS801B-COPS	Material ID: 304000012
CCS811B-JOPD	Material ID: 304000017	CCS801B-COPD	Material ID: 304000013
CCS811-LG_EK_ST	Material ID: 990600954	CCS801-DF_EK_ST	Material ID: 990600975

Due to an preponed shut down of the production line and therefore very limited quantities of finally available parts we unfortunately must inform you that no new orders can't be accepted with immediate effect. Also, for orders already placed only partial quantities will be confirmed and served. Orders that are already confirmed with ship date will not be affected.

In case of further inquiries, please feel free to contact customerservice@sciosense.com at any time.

The following alternative products will be continued and can be considered for replacement:

ENS160-BGLM	Material ID: 507870026
ENS160-BGLT	Material ID: 507870029
ENS160-BGLR	Material ID: 507870030

and the corresponding evaluation kit

ENS160-LG_EK_ST V1	Material ID: 507870028
---------------------------	------------------------

Our application team will be pleased to support you with product migration.

We are sorry for any inconvenience this may cause to you.

Best regards,

SciSense B.V.

Managing Directors: Everardus Hendriks, Stefan Raible, Dirk Enderlein
